Other Current and Long Range information exchange

Hurricane Harvey

All information submitted to FEMA. But, an error was found by FEMA, they showed the deductible to be \$1,000.00. When we received policy, we contacted insurer to amended and increase the deductible to \$5,000.00. All is back on schedule for reimbursement, approximately \$81,000.00.

HB1378

FCW – Every year before June we have to fill in our current debt, all basic information. In review, the report includes our bank loan. We received an email stating an error in the file, indicating the total amount borrowed cannot be greater that the loan amount. We borrowed \$4.5 Million, for the principal as per our audit dated December 31, 2017. \$3.854 million adding up in the audit the balance plus the interest increases it to \$5.979 million. They say this is incorrect. We will follow up tomorrow and report next month.

Hiring a Vet

Nothing to report

2018 Fire Engines

Remove from agenda all in service and everything is wonderful except for the dent on the rear tailboard of Engine 64. The firefighters backed into a fire hydrant.
